[REDACTED] thinks that Jen wasn't actually running the group as she didn't have the PCF top on but that [REDACTED] did have the top on and was running

Importance: High

Dear colleagues,

Further to my email below, I have just been reliably informed that two of the campaigning parents (JS and [REDACTED] who were recently named by Steering Group as no longer members of Forum were running this week's support group for BPCF.

It would therefore be really helpful [REDACTED] to obtain clarity from the Steering Group about membership.

Many thanks

It is helpful to know that this is a contract of employment, rather than a voluntary role.

With regard the other parent, the issue is that they are attending engagement / co-production events purporting to be representing the forum, whereas, members of the SG had confirmed that this person was no longer a member, nor were named others who are campaigning parents. Hence we had asked for a list of SG and members so that we could be clear who was actually representing SG.

It is indeed very depressing, and we really feel for you and those forum members who have put in so much time and effort to make this work.

Hi [REDACTED]

Just a quick follow up regarding our conversation yesterday.

I have had the opportunity to discuss the matter you raised with Kate Rowe who as you know is supporting the forum and also have sought further advice internally here at Contact and so
